

Treadwell®

Passion meets expertise

The Treadwell® Story

When a group of industry veterans recognized the need for a superior collector-focused insurance solution that provides informed underwriting, expansive capacity and compassionate claims handling, Treadwell was created.

Preserving and protecting the world's most distinguished collections is both a privilege and a weighty responsibility. We understand that a collection represents a significant emotional and financial investment that requires proactive loss prevention and specialized protection. From antiques, watches and couture to classic autos, paintings and wine, our recognized expertise combined with solid financial backing allows you to enjoy your passion, knowing that we'll be there for whatever lies ahead.

The Treadwell® Difference

Philosophy – Our underwriting approach is flexible and pragmatic, providing customized solutions that complement your needs and just make sense. We can tailor each solution with a balance of coverage and limits to reflect your unique situation.

Broad Coverage – Our personal and institutional programs begin with "all risk" global coverage coupled with industry-leading capacity for both catastrophic and non-cat losses.

Loss Mitigation – We leverage decades of experience working on the front lines of the art and insurance worlds to help you protect your treasures from a myriad of risks.

Claims – Should a loss or damage occur, our seasoned claims experts respond swiftly, accessing our premiere network of valuers, conservators and art handlers leading to an efficient resolution and recovery.

Learn More

Our executive team is comprised of insurance professionals with specialized training and decades of experience who are also collectors, so we understand what influences value, how works of art move from place to place, and what can harm collections over time.

An Independent Affiliate of Applied Underwriters

Treadwell is offered through Applied Fine Art & Collections®, an independent affiliate of Applied Underwriters, Inc., a global risk services firm renowned for its innovative approach to client care, principled underwriting, and financial strength. With operational headquarters in Omaha, Nebraska, Applied Underwriters operates widely throughout the US, UK, EU and Middle East.

Together, we offer up our demonstrated ability to lead the industry in risk analysis and underwriting, powered by an entrepreneurial mindset and the strength of large-scale global resources.

The independent affiliates at Applied Underwriters have access to Applied's deep corporate and intellectual resources, and Applied stands behind the financial responsibilities of all of its consolidated operating companies. Each affiliate adheres to Applied's corporate audit, cybersecurity, and risk management standards. The managing partner of an independent affiliate has decision-making authority over most business matters including underwriting, distribution, reinsurance, and choice of carrier.

Coverages are provided through North American Casualty Co.®, rated 'A' (Excellent) by AM Best, Financial Size Category: XI.
